Continuation of Substance of Interview including description of the general nature of what was agreed to if an agreement was reached, or any other comments: The Examiners indicated that the outstanding rejections of record would be maintained as the current claims are written. The Examiners suggested that amending claim 1 to utilize "consisting of" language and the deletion of language regarding carriers and additional components could resolve several issues, especially the rejection under 35 U.S.C. 112, 2nd paragraph due to the phrase "free of a carrier." The Examiners noted that a Final office action has already been sent in the instant application. Because significant amendments to the claims would require additional searching, any amendments submitted after final would not be entered. Applicant was encouraged to file a R.C. E..
